

ABOUT UCOD

The UCLA Committee on Disability (UCOD) is comprised of students, faculty, staff, alumni, members of the community, and ex-officio campus-wide department representatives. UCOD was established in 1983 as the Chancellor's Advisory Committee on Disabilities to create and maintain a more accessible campus environment for individuals with Disabilities. UCOD continues to analyze and identify problems and solutions, provide campus education and resources, and make recommendations on matters of particular concern to persons with Disabilities.

PARTICIPATE IN UCOD

The committee is currently seeking Faculty, Staff, Alumni, Graduate and Undergraduate Voting Members. Please contact the UCOD if you are interested.

MEETING SCHEDULE

UCOD meets the 2nd Tuesday of each month from 2 PM – 4 PM in the Faculty Center. All meetings are open to the campus community. Please RSVP with Sylvia Mogul and indicate if you'd like to be added to the email distribution list of the committee.
